

Dedicated Transportation Services

Offering expedited delivery for your business

Kevin J. Brink
Vice President
Business
Development

At NOTS Logistics we understand the word "Expedited."

We know there will be times when you need your product NOW. When that time arrives, you will need a carrier that you can count on. At NOTS Logistics, we provide this service and we have a fleet with a variety of sizes so that we can match your product with the right size of equipment. This allows us to provide you with the right service at the right price!

NOTS Logistics specializes in customized supply chain solutions for the mobility of your product. We understand the changing demands of your business and know what it takes to keep your business running smoothly. We are an asset based company with over 2 million square feet of warehouse space in strategic locations with a service area that covers the entire United States.

Give us a call at **800-642-5436** with your expedited needs so we can help keep your business running smoothly.
