WORKFORCE  
MANAGEMENT

The logo for NOTS Logistics features the word "NOTS" in a large, bold, italicized serif font with a red-to-gold gradient. To the left of "NOTS" are seven vertical bars of varying heights, also in the same gradient. Below "NOTS" is the word "LOGISTICS" in a smaller, all-caps, sans-serif font.

**NOTS**  
LOGISTICS

*We understand the changing demands of your business.*

***"Asset based"***

NOTS Logistics specializes in customized supply chain solutions for the mobility of your product. We understand the changing demands of your business and know what it takes to keep your business running smoothly. We are an asset based company with over 2 million square feet of warehouse space in strategic locations with a service area that covers the entire United States.

We offer dedicated drivers & equipment, warehouse management and staffing, reverse logistics and cross docking right at your site or ours. Whatever your logistic needs may be, we've got you covered.

Our Four Core Services work together to offer your business a **whole solution.**

## WAREHOUSING

NOTS Logistics offers over 2 million square feet of public and contract warehousing space. We offer services to multiple distribution markets through a growing network of company-owned products and assets.

## TRANSPORTATION MANAGEMENT

NOTS Logistics has a Network of Asset Based Parcel, LTL & Truckload Transportation Providers throughout North America that are available to assist us in your supply chain distribution requirements.

## CUSTOMIZED DISTRIBUTION

NOTS Logistics is an Asset Based company which can provide dedicated route distribution for your company. We have a fleet of trucks with a variety of sizes so that we can match your product with the right size of equipment.

This allows us to provide you with the right service at the right price!

## WORKFORCE MANAGEMENT

NOTS Logistics can provide workforce management needs to optimize labor performance and utilize best practices to exceed workforce performance. Our goal for your company is to achieve optimal performance

through labor productivity, objective measurement, team achievement, on-going training, and the development of a continuous improvement environment.
